

SEPTEMBER 2020

DEAR PARENTS AND CARERS,

Welcome back to a new term at St Michaels FISH Club, we have certainly missed you all over the last few months and it is good to be back, we hope you have been keeping safe in these strange times.

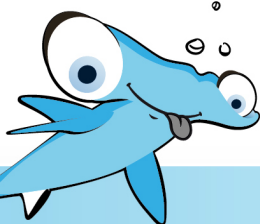

Looking ahead to this new term there have been some changes at St Michaels FISH that we would like to keep you posted on; Sarah Trout who has been managing the breakfast and afterschool club for the last 12 months is moving on to manage another of our FISH clubs at Montgomery School, closer to where she lives, Sarah will still be with us at St Michaels in the mornings for breakfast club so you will still see her there! In the short term Sara Finimore, one of our area managers, will be taking on the role of afterschool club manager. If you attend our holiday club at Ladysmith you will be familiar with Sara as she is there in the school holidays and has been working for FISH for almost 10 years so you may have also seen her popping in and out of St Michaels. In the New Year we will then be looking to recruit a new permanent club manager. The existing St Michaels club team of Mel, Vicky and Di will all still be with us again from September.

The club, for the time being, will continue to run from the School Hall as it did while we stayed open to keyworkers in the Summer term. We will have more space here to allow us to follow the same consistent bubbles that will be in place at school for years groups. Signing in and out will take place from the external hall door within the staff car park and we will unfortunately, not be inviting parents to enter the building at this stage.

We feel it is important to keep you up to date with all things happening at FISH and at the end of each session a member of the team will sign your child out and pass on any important information that your child's school teacher may have told us, or information about the session. We also like to share photos of things we have been doing in the club on our facebook page (www.facebook.com/fishkids). Each term we will also share a club newsletter with you to let you know about our topics and exciting things happen at FISH and include reminders about any updates to club policies.

It is really important that we have a paper copy of your child's registration form at the club, this is so we have a back up if we can't access the online system. If you have not printed and returned your form to us please could we ask that you do this as soon as possible. If you need to change your contact details please could you update them on the website then reprint and hand in a new paper form every time you change your information so that we have the most up to date contact details should we need to contact you in an emergency

In addition to our flexible online booking system which you manage yourself we can also offer a priority booking form which is designed for people that know they need the same sessions each week, for more information about this please give us a call in the office on 01363 866450.

Booking forms are currently live on the website up until October half term and for those parents on the priority booking system could we please remind you that your September/October fees are due for payment on or before Friday 11th September please.

Booking forms for November/December should be live on the website to book around the 20th September but reminders will go up on the front door and on our website when these have been released.

Just a gentle reminder that FISH breakfast club opens at 7.40am and we will not be able to take children before this time. After school club closes at 6pm, if you are running late or need to get hold of us during a session please could we ask that you call the club mobile on 07747750105 this number is only switched on during club session times.

We will be running a holiday club during week beginning 26th October at Ladysmith Infant School for all school years and booking forms for this will be available from mid September online. The holiday club runs from 8am-5.30pm Monday – Friday.

PLEASE BE AWARE THAT THE CHRISTMAS HOLIDAY CLUB RUNNING AT LADYSMITH WILL ONLY OPEN
ON 21ST, 22ND, 23RD DECEMBER.

We are really looking forward to welcoming you back to St Michaels in September!
